Subject: Call regarding Soitec Tierra del Sol project in San Diego
Date: Friday, July 26, 2013 10:58:43 AM

Michael,

I hope all is well with you.

We're continuing to process the Tierra del Sol Solar Project in San Diego County, which is adjacent to the border. We understand your office would be the appropriate contact point to solicit comments on the project.

The County would like to have a brief call with you to open lines of communication and to solicit any feedback you might have. The County personnel on the call could include Ashley Gungle, the project manager for the project, Robert Hingtgen, the EIR coordinator, and Jarrett Ramaiya, a supervisor at the County. I've cc'ed Ashley and Jarrett on this email.

Would you be open to having a short call sometime in the next several weeks? Due to our prior communications on the project, I agreed to facilitate setting up the call.

Best regards,

Ryan R. Waterman
